Fairness Pretest/Posttest

Read each situation and decide if it shows a situation that is FAIR or NOT FAIR. Write your answers on the lines.

1. Jamie wants to go swimming at the beach on Saturday, but it rains and she can't go. _____
2. In the Miller family, Sasha washes the dishes after meals on Monday, Wednesday, and Friday; Brienna washes the dishes after meals on Tuesday, Thursday, and Saturday. On Sunday, the family goes out to eat. _____
3. There are five candy bars in a bag. Joel and Terry each take two and give one to their sister, Alison, who says that it's fine with her to just get one. _____
4. The science teacher gives a really hard test and includes information on the test that isn't in the book, so students don't have a chance to study for it. _____
5. It is a really hot day and students are standing in line to get a drink from the water fountain. One of the kids in front lets other kids cut in line to get drinks. _____
6. Peter and Tony are playing tug-of-war. Peter is 12 years old and really strong; Tony is in kindergarten and is small. _____
7. The teacher says there will be a test on Friday. But on Friday, school is cancelled due to bad weather so the teacher decides to give the test on Monday instead. _____
8. Yvonne says that she will rake the neighbor's lawn for \$10. When she finishes, the neighbor says she missed a lot of leaves and will only pay \$7. _____
